

# Fluid Handling Solutions

Sales | Service | Rental

**Capital Pump  
& Equipment**

**Capital Pump and Equipment** is your premier full service pump distributor offering top manufactured pumps and equipment. With over 200 combined years of experience in the industry and a customer comes first attitude, CPE is your choice to solve all of your fluid handling needs.

## PUMPS

CPE represents manufacturers of high quality pumps for all of your fluid handling needs including but not limited to the following types:

Vacuum Assisted Self Primer	End Suction Centrifugal	Grinder
Venturi Prime Self Primer	Split Case	Slurry
Trash Self Primer	Submersible	ANSI Dimensional
Sump Pumps	Vertical Turbine	Chopper
Air Diaphragm	Multi Stage Booster	Gear Pumps
Progressive Cavity	Screw Type	Hose Pumps

## OTHER PRODUCTS

CPE offers the following related equipment and accessories:

Hose, Pipe and Fittings	Variable Frequency Drives	Mixers	Valves
Control Panels	Mechanical Seals	Blowers	And More

## SERVICE

CPE offers fast, efficient, knowledgeable service and repair including:

**SHOP REPAIR:** CPE has full rebuild and repair capabilities of all brands and types of pumps in our state-of-the-art repair shop.

**FIELD SERVICE:** CPE has a field service department to remove, install, maintain and repair your pumps and systems in the field.

**RENTAL:** CPE has a large rental fleet of pumps and application expertise to keep you up and running.

## PACKAGED SOLUTIONS

CPE has the ability to design and supply turn-key packaged pump stations and systems including:

Diesel Drive Pump Packages – Trailer Mounted or Skid Mounted	Packaged Lift Stations – Self Priming and Submersible
Electric Driven Pump Packages	Packaged Booster and Constant Pressure Stations
Low Pressure Sewage Systems	Sound Attenuated Diesel Portable Packages
Close Coupled Electric Drive Units	Engineering and Design
Custom Fabrication	

Capital Pump and Equipment is proud to partner with these manufacturers.
